Security Policy

The Company may carry out the following operations/a set of operations with personal data in accordance with applicable law, regardless of whether by automated means: collection; recording; organization; structuring; storage; adaptation or modification; search; consultation; use; disclosure of information transfer, distribution or other provision of access; alignment or combination; restriction; erasure or destruction.

Your data is processed according to the following principles:

1. processed lawfully, fairly and transparently in relation to the data subject ("legality, fairness and transparency");
2. collected for specific, explicit and legitimate purposes and not further processed in a manner that is incompatible with these purposes; further processing for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes are not considered incompatible with the original purposes ("limitation of purpose");
3. Adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed ("data minimization");
4. accurate and, if necessary, up-to-date; all reasonable measures must be taken to ensure that personal data that is inaccurate in view of the purposes of their processing is deleted or corrected without delay ("accuracy");
5. be stored in a form that allows the identification of data subjects for no longer than is necessary for the purposes for which personal data is processed ("storage restriction");
6. processed in a manner that ensures the appropriate security of personal data, including protection against unauthorized or illegal processing, as well as against accidental loss, destruction or damage, using appropriate technical or organizational measures ("honesty and confidentiality").

GDPR includes the following rights for Clients: the right to receive information; the right of access; the right to correction; the right to delete; the right to restrict processing; the right to data portability; the right to object; the right not to be subjected to automatic decision-making, including profiling.

With regard to the rights of the Client, the Company informs you that you can exercise the above mentioned rights if it does not contradict the legal requirements regarding the prevention of funds. Anti-money laundering and terrorist financing laws, the Company's record keeping obligations, etc. The Company has taken appropriate security measures to prevent the leakage of your personal data, accidentally lost, used or accessed in an unauthorized way, modified or disclosed. In addition, the Company restricts access to your personal data to those employees and other third parties who require access to limited customer data. They will process your personal data only according to our instructions and are subject to a confidentiality obligation. The Company has implemented procedures to address any suspected leakage of personal data and will notify you and any applicable regulatory authority of a violation in which case we are legally required to do so. To exercise all relevant rights, requests or complaints regarding any data protection issue between you and Company, please first contact our data protection specialist at Support@lordprime.io
